95.	<p>Find the correctly spelt word:-</p> <p>(A) Palete (B) Palet (C) Palate (D) Pelate</p>
	<p>Instructions for the next five questions:-</p> <p>Read the passage carefully and select the best answer to each question out of the four alternatives.</p> <p>History plays a key role in helping the current generation to know where they came from. It also helps us understand the transformation that the society has gone through. We all know that change is a constant thing that takes place every now and then. History plays a very crucial role when it comes to making comparisons. For example, historians help us understand why small things may lead to big disasters. The best example is the causes of the First and Second World Wars. The current generation tends to gain more information about their past culture. By knowing your culture, you are placed in a better position to preserve it. History is such an important subject and plays a very vital role when it comes to shaping our society. History is the study of past events. We refer to the past when comparing it with the present times and deduce the changes that have taken place. This is the easiest way to make comparisons on a timely basis.</p>
96.	<p>Why is history such an important subject to study?</p> <p>(A) History plays a crucial role when it comes to making comparisons</p> <p>(B) History helps us preserve humans</p> <p>(C) History helps to understand our current generation</p> <p>(D) History can prevent diseases</p>

97.	How is history beneficial to the current generation? (A) It helps them to know about world wars (B) It helps them to know where they came from (C) It helps them to know the mistakes of their ancestors (D) It helps them to create opportunities
98.	History is the study of _____ events. (A) future (B) present (C) new (D) past
99.	What is the role of historians? (A) to help us understand why small things may lead to big disasters (B) to study future disasters (C) to acknowledge the mistakes of the past (D) to study wars of different periods
100.	Which of the statement is true? (A) by knowing our culture, we can understand other cultures also (B) by knowing our culture, we can add more to it (C) by knowing our culture, we can better preserve it (D) by knowing our culture, we can understand our country
