NATIONAL INSTITUTE OF SIDDHA

MINISTRY OF AYUSH, GOVT. OF INDIA

TAMBARAM SANATORIUM, CHENNAI-47

Foreword

Prof. Dr. R. Meenakumari

Director
National Institute of Siddha
Ministry of Ayush
Tambaram Sanatorium
Chennai – 600 047, Tamil Nadu

The National Institute of Siddha (NIS) stands as a beacon of excellence in Siddha medicine, committed to preserve, advance and disseminate this ancient healing tradition. NIS has unveiled a definitive list of authorized Siddha books carefully selected to uphold and propagate these ancient healing traditions, with plans underway for the next phase of listings.

To achieve this milestone, a committee of esteemed Siddha experts, institutional members and scholars scrupulously authenticated texts from various sources. Dr. L. Arul Amuthan, Coordinator - Division of Siddha, Center for Integrative Medicine and Research, Manipal Academy of Higher Education has made a substantial and noteworthy contribution to this cause.

The significant roles of Dr. Viswajanani J Sattigeri, Head, CSIR-Traditional Knowledge Digital Library Unit, New Delhi, Dr. R. Manickavasagam, Research Officer (Siddha), SCRUI, Bengaluru and Dr. J. Jeyavenkatesh, Chairman, Kokila Siddha Hospital & Research Centre, Madurai to this endeavor are momentous.

Through rigorous scrutiny of texts from various publishers and libraries, NIS ensured authenticity and adherence to traditional knowledge. Recognizing the value of unpublished works and palm scripts, NIS engaged nationwide resource persons to locate these invaluable manuscripts. The process involved overcoming challenges such as identifying uncatalogued Siddha literature, with dedicated efforts resulting in a comprehensive compilation of authorized Siddha textbooks. This achievement underscores the commitment of NIS to safeguard our cultural and medicinal heritage.

The initiative marks a notable milestone in the history of NIS, driven by the efforts of committee members, resource persons and scholars. NIS efforts have deepened our understanding of Siddha literature, ensuring its continued relevance and benefit to humanity. Looking ahead, NIS is steadfast in expanding and updating Siddha literature sources, inviting collaboration from stakeholders—academics, researchers, practitioners and enthusiasts—to preserve and enrich the profound legacy of Siddha medicine for future generations.

July - 2024

Prof. Dr. R. Meenakumari

Acknowledgement

National Institute of Siddha thankfully acknowledges the contribution of following Technical experts and Officers for their active involvement at various stages of preparation of this List of Authorized Siddha Books, Unpublished works and Palm scripts.
