1. INTRODUCTION

1.1. ABOUT THE INSTITUTE

Siddha system is one of the oldest systems of medicine in India. The term ‘Siddha’ means achievement and the ‘Siddhars’, who have achieved substantial knowledge in the medical field have been the propounders of this medical system. According to Sage Thirumoolar, the first disciple of the great Sage and founder of Siddha System, Agathiyar :

“Medicine is the one that cures physical ailments

Medicine is the one that cures psychological ailments

Medicine is the one that prevents diseases

Medicine is the one that bestows immortality”

The National Institute of Siddha, a premier Institute offering UG, PG and Ph.D Programmes in the Siddha System of Medicine, is situated at Tambaram Sanatorium, Chennai, Tamil Nadu. Constructed in 14.78 acres of land, this is an autonomous Institute under the Ministry of Ayush, Government of India, which has started functioning on 30.09.2004. It is the only National Institute, which caters to higher studies and research in the Siddha System.

1.2. AIMS AND OBJECTIVES

- To promote the growth and development of Siddha system of Medicine
- To provide Health care through Siddha system
- To impart Under Graduate, Post-Graduate and Doctoral education in Siddha system of Medicine
- To undertake research and dissemination of knowledge about Siddha system
- To act as a Center of excellence in Siddha

1.3. ACADEMIC PROGRAMMES

This Institute is affiliated to the Tamil Nadu Dr.M.G.R Medical University, Chennai-32. It follows the syllabus and curriculum as approved by the National Commission for Indian Systems of Medicine (NCISM), New Delhi and the Tamil Nadu Dr.M.G.R Medical University, Chennai for the UG, PG and Ph.D programmes.

1.3.1. BACHELOR OF SIDDHA MEDICINE & SURGERY (BSMS)

The Institute started the Bachelor of Siddha Medicine and Surgery (BSMS) Programme with an annual intake of 60 students during the year 2022-23. It is a 5 ½ years programme with One year internship during the final year. The admission to the BSMS programme is being done from NEET qualified candidates.

2. PURPOSE OF Ph.D PROGRAMME

Ph.D programmes provide opportunities to students, Teaching Staff and Medical Officers with M.D (Siddha) Qualification to undertake advanced studies and research in the field of Siddha. The Candidates have to submit their Ph.D Thesis for the award of Ph.D Degree to The Tamil Nadu Dr.M.G.R.Medical University, Chennai.

3. DURATION OF Ph.D PROGRAMME

The total duration of the Ph.D programme is three years. Under special circumstances, considering the importance of the work, Director, NIS, may extend the tenure of the Ph.D programme upon the recommendation of the Supervising Guide and also based on the rules and regulations of The Tamil Nadu Dr.M.G.R.Medical University, Chennai, in this regard from time-to time. The Ph.D Scholars can also be terminated from the programme at any time if the work and the conduct of the candidates are found to be unsatisfactory by the Competent Authority.

4. STIPEND

The Ph.D candidates will be paid a stipend of Rs. 50315/-+DA for the First Year and Rs. 51990/-+DA for the Second year, which may be revised from time-to-time as per the orders received from the Ministry of AYUSH. **The stipend period will commence from July 1st or January 1st every year, based on their joining session, subject to the condition that the stipend will be disbursed only after the candidate obtains confirmation of**

his/her provisional registration from The Tamil Nadu Dr.M.G.R.Medical University, Chennai. The stipend will be released on the basis of the attendance certified by the respective Supervising Guide and/or Biometric attendance.

As per the extant rules, no stipend is admissible after 2 years. Stipend / Salary will not be admissible for regular in-service Faculty Members/Medical Officers of Central/State Government organizations who join the Full Time Ph.D programme by availing study leave or scholarship/fellowship from other sources.

5. ELIGIBILITY

Candidates seeking admission to the Ph.D programme should have obtained a Post-Graduate Degree in Siddha, in the concerned subject under Indian Medicine Central Council Act,1970.

6. AGE LIMIT

No age limits

7. LEAVE RULES

The Ph.D Scholars are entitled for the following leaves:

- 8 days Casual Leave per year.
- 15 days Academic Leave per year. (may be sanctioned by the Director NIS, Chennai on the basis of the recommendation of the Supervising Guide)
- 10 days Medical leave per year on production of Medical Certificate

8. HOW TO APPLY

The application form for Ph.D Programme will be available in the NIS Website: <https://nischennai.org>. Candidates can download the form and fill all the required details. The filled in application form along with all required documents (as per check list) shall be scanned as a single PDF and can be uploaded in the link provided for uploading in the NIS website. The payment of fees should be made by the way of UPI Payment to the current account of National Institute of Siddha standing at Bank of Baroda by scanning the QR code available in the NIS website. The payment receipt generated should be attached and uploaded along with the application form failing which the Application Form will be summarily

rejected. Service candidates must submit their application only through their Competent Authority with the required documents. Otherwise such applications will not be considered at any cost.

Application Fee once remitted will not be refunded under any circumstances. Inadequately filled up/incomplete applications will also be summarily rejected. The Application Fee of such applicants will also be forfeited.

9. MODE OF SELECTION

Applications for Ph.D Programmes are invited through a newspaper advertisement issued every year. Selection of the candidates will be done on the basis of merit that will be ascertained through a Written Test and Personal Interview. The minimum qualifying marks in the Written Test would be 50% for UR and OBC candidates and 45% for SC/ST candidates. The Written Test will be followed by the Personal Interview by the duly constituted Selection Committee. The Selection Committee will consist of The Director, Dean, Supervising Guide and a Senior Faculty member in the concerned subject. **“In respect of reserved community candidates i.e., SC/ST/OBC, if the candidate qualify with relaxed standard if any, he/she is eligible to compete only for the reserved seat to that community”.** If two candidates of the same category/specialty score equal marks in the WrittenTest, their dates of birth will be considered for preparing the final merit list. In case the dates of birth are similar then the total marks obtained in final year M.D (Siddha) examination will be considered for preparing the final merit list.

10.VALIDITY OF THE SELECTION PERIOD TO PH.D PROGRAMME

The maximum period for validity of the Selection of the candidates, through the Ph.D Entrance Test conducted by this Institute would be 2 years. During this period the candidates will be permitted to attend a maximum of 4 Screening Sessions conducted by the Tamil Nadu Dr. M.G.R Medical University. Even after 4 Screening Sessions if a candidate fails to secure Provisional Registration for their Ph.D Programme in the Tamil Nadu Dr. M.G.R Medical University, their selection based on the Ph.D Entrance Test would be treated as invalid and they shall have to re-appear for the Ph.D Entrance Test, in order to pursue Ph.D programme in this Institute in future.
