The National Institute of Siddha invites sealed quotations for the monthly disposal of various types of scrap material, as listed below:

1. Waste/empty plastic containers
2. Waste/empty PET bottles (Clear / Transparent Colour)
3. Waste/empty PET bottles (Amber / Brown Colour)
4. Waste/empty cardboard boxes
5. Newspaper (Tamil & English)
6. Paper Shredding / Shredded office Paper / Waste Torn Office Paper
7. Scrap Metal (MS/Iron/ferrous)
8. Brass
9. Aluminium
10. Copper
11. Mixed Plastics (waste rigid plastic items other than Plastic Containers, PET Bottles ex. PVC Pipes, broken buckets, mugs, crates, trays, plastic furniture etc.)
12. Books / Copies
13. Stainless Steel

Background: This Institute purchases medicines in bulk, which are subsequently repacked in smaller containers for patient distribution. This process results in the regular accumulation of waste such as plastic containers, PET bottles (both clear/transparent and amber/brown), and cardboard boxes, which the Institute intends to dispose of on a routine basis. For other types of scrap listed in this tender (ex. Brass, aluminium, copper etc. from S.No. 5 to 13), rates will be established presently, and disposal will occur when these materials become available.

Note: The waste plastic containers, PET bottles and other scrap are disposed on "AS IS WHERE IS AND WHATEVER THERE IS BASIS". The waste plastic containers and PET bottles may contain residual oil, lehyam, or medicine remnants. The vendor may clean these containers if necessary; however, no discount or concession on weight will be provided due to any residue in the containers.

Inspection of the regularly available waste plastic containers, PET bottles, and cardboard boxes can be arranged on any working day between 10:00 AM and 5:00 PM. Note that the quantity of scrap material may vary monthly.

You are requested quote your highest rate per kilogram for each item separately in the following format:
